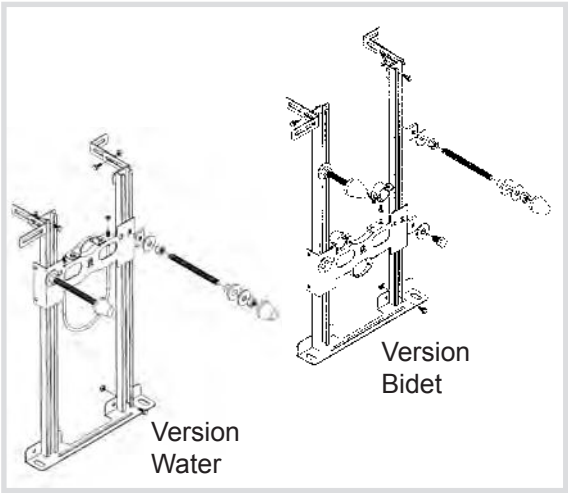
Art. 638 Wall-in retaining support for toilets and bidets

Technical specifications and advantages

- The same model is suitable for both toilet bowls and bidets
- Made with steel
- Galvanised
- Includes both the set-up for the toilet bowl and for the bidet
- Contains assembly sheet with reference dimensions for most types of ceramics on the market

Code	Centre distance [mm]	Height [mm]	Payload [N]
638000	180/230	595	4000

The ceramic materials of the various manufacturers may be subject to modifications. Always check the measurements provided before composing the wall bracket.



Version Water Version Bidet
