

## Art. 766 Vibration damper male/male

### Technical specifications and advantages

- Material: NR/SBR rubber
- Hardness 60 Shore A
- Galvanised screw and washer
- Screw pressed onto the washer
- Different screw lengths on request
- Tolerance on hardness  $\pm 5$  SH

Code	Measurements $\varnothing$ [mm]	A x B [mm]	C x E [mm]
<b>766008</b>	M8	40 x 30	M8 x 23
<b>766010</b>	M10	40 x 30	M10 x 28

## Art. 7661 Vibration damper male/female

### Technical specifications and advantages

- Material: NR/SBR rubber
- Hardness 60 Shore A
- Sandblasted and galvanised washer
- Galvanised screw, blind female insert
- Different screw lengths on request. Through female insert
- Tolerance on hardness  $\pm 5$  SH

Code	Measurements $\varnothing$ [mm]	A x B [mm]	C x E x F [mm]
<b>766108</b>	M8	40 x 30	M8 x 23 x 10
<b>766110</b>	M10	40 x 30	M8 x 28 x 10
