

Art. 639 Wall-mounted retaining support for toilets and bidets with floor fixing

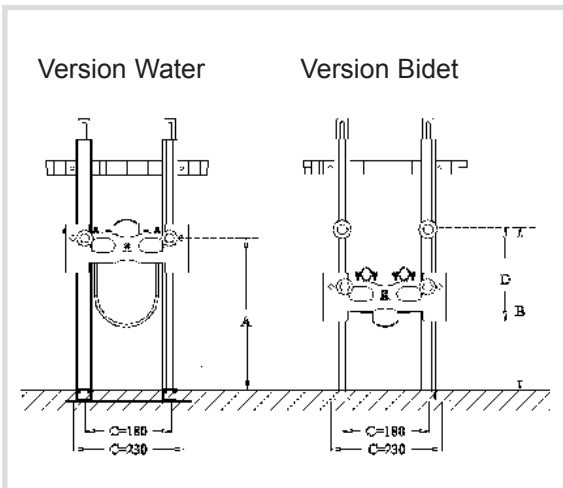

Technical specifications and advantages

- Made with 1.0332 steel
- Galvanised
- The same model is suitable for both toilet bowls and bidets
- With galvanised foot for floor assembly
- Includes both the set-up for the toilet bowl and for the bidet
- Contains assembly sheet with reference dimensions for most types of ceramics on the market

Version Water

Version Bidet

Version Water

Version Bidet

Code	Height [mm]	Depth [mm]	Payload [N]
639000	560	190	4000

The ceramic materials of the various manufacturers may be subject to modifications. Always check the measurements provided before composing the wall bracket.
